

### **2003 Technical Training Opportunities**

**Hold training opportunities for technical audiences &/or facilitate the attendance of key professionals at regional training opportunities**

**Activity Title:** Phase II Forum

**Activity Description:** Miami Conservancy District sponsored and organized a Phase II Forum. This forum was a half-day meeting which encouraged networking and prepared communities to meet their first annual reporting obligation. Representatives of the Ohio Environmental Protection Agency discussed program implementation issues and City of Dayton representatives shared lessons from their longer-term Phase I storm water program experience. A Montgomery County representative shared views on approaches to funding compliance activities and staff from The Miami Conservancy District provided updates in a number of relevant areas. This meeting included a series of small group discussions.

**Start Date:** 11/19/2003 **End Date:** 11/19/2003

**Result Statement:** Over 80 people participated from jurisdictions in eight counties. Over 90% of the participants rated the Forum as either "Excellent" or "Good". See below for a list of attendees.
